5. is not worth to publish based on the above reasons

C. Comment about the paper (Use additional sheet, if necessary).

The writing is good, the purpose of the research has been answered. Just a little correction, you can see in the script. Please in yellow highlighter (et al) to be italicized. In reference, if there are 3 autor for the third author preceded the word and, please. If two author separated them with word and (author a and author b). Thank you
